

**Minutes of the Walker City Council Budget Workshop  
Monday, December 13, 2021  
Walker City Council Chambers**

Mayor Bamrick called the workshop to order at 6:00 pm. Council Present: Dianna Thorp, Paul Nielsen, John Pint & Jessica Hammerand. Absent: Rob Dunn.

Others Present: None

Council met for a budget workshop for FY23. The Clerk went over the budget so the new mayor and council member would have a better understanding. We will not have the revenue figures until shortly after the first of the year. The costs of living adjustment for 2022 is 6.0-6.2%. Council will need to determine what they want to budget for wage increases. In addition, Connie would like her title changed to Finance Director/City Clerk. Also explained that because we will be over \$1,000,000.00 in expenditures in FY23 and more than likely again in FY24, we will go from a periodic exam pool city to a yearly exam city in FY24.

Motion/Second by Pint/Nielsen to adjourn at 6:46 pm. 4 ayes, 1 absent, motion carried.

Respectfully Submitted,

Connie Helms, City Clerk

Cole Bamrick, Mayor
